*Realize Your Creativity*

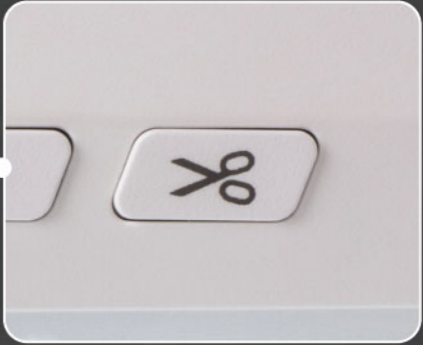

# Realize your creativity

**Advanced Auto Threader**  
Advanced auto threader allows you to start sewing quickly

**Large Working Space**  
The great 230mm (9") working space for larger projects

230mm

**Auto Thread Cutter**

**Auto/Manual Presser Foot Lifter**  
Available to select either automatic or manual presser foot lifter

**Knee Lifter (Optional)**  
Raise the presser foot by knee lifter which keeps your hands free to focus on your project

**Extension Table (Optional)**  
The extension table provides a larger working area when working with larger projects

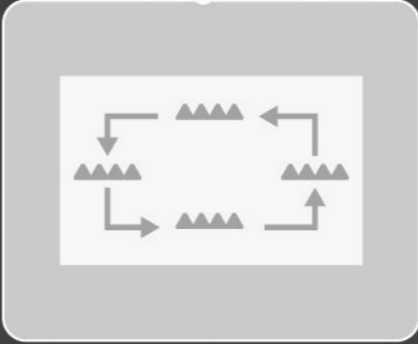

**Electronic Buttonhole Foot**  
Provide the fine tuning adjustment of the buttonhole length and width to achieve a perfect buttonhole

**Dual Feed System**  
Help to feed your fabric from the top to bottom at the same time, which results in better feeding capability

**Pivot Function**  
At the end of every seam, the presser foot will raise, with the needle in the down position

**Box Feeding System**  
The feed dogs move in a square which results in better feeding capability

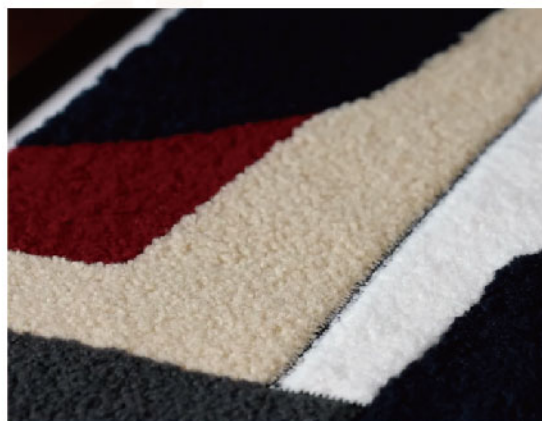

**Bright Illumination**  
With 5 ultra bright LED lights
